The Norton Simon Museum is known around the world as one of the most remarkable collections of art ever assembled.

With masterpieces by Botticelli, Cézanne, Degas, Monet, Picasso, Rembrandt, Renoir, Rubens and Van Gogh, a stunning collection of sculpture from India and Southeast Asia, and a premier collection of 20th-century art, the Museum is a gateway to learning about the world's rich artistic heritage. What's more, its special exhibitions and educational programming provide in-depth explorations of artistic movements and genres within its renowned permanent collection.

Museum Members enjoy the best of these offerings. Join today and start taking advantage of the many benefits listed at right. In addition, know that your membership dues provide essential unrestricted support that helps fund the Museum's educational and outreach efforts, including subsidizing field trips and art-making workshops for Southern California's youngest residents.
