Phone: (626) 844-6980 Email: educate@nortonsimon.org

We welcome you and your students to the Norton Simon Museum. Before your visit, it is important that your students understand the appropriate conduct that will be expected of them. The following Museum guidelines exist not only for the protection of the artwork, but also for the enjoyment of all patrons visiting the Museum. Please review them with your students and chaperones. We thank you for your cooperation and interest in the Norton Simon Museum, and wish you a wonderful visit.

Group Size

Each school tour is divided into groups of fewer than 20 students and chaperones and are assigned an educator and attendant. Based on the number of students you'll be bringing; we've calculated the number of groups for your school. When you arrive at the Museum, please organize your students and chaperones into that number of groups.

Admission

Reservations are required for all school/youth groups. There is no admission fee for students, teachers, and adult chaperones escorting school groups. School tours take place when we are not open to the public. Available reservation times are at 9:30 a.m. and 10:45 a.m. on Thursdays and Fridays.

Chaperones

Teachers and adult chaperones are responsible for the students' conduct and adherence to rules of proper behavior in the galleries. Chaperones should read and understand all of the Museum guidelines listed below and enforce them throughout the visit. Groups without adequate adult supervision will not be permitted to enter the Museum. Failure to adequately supervise your students may result in your group being asked to leave the Museum. Please avoid blocking stairways and passageways between galleries. At no time may students be left unattended in the galleries. Surplus staff, beyond chaperones, such as bus drivers, will not be admitted as part of the group.

School and youth groups are required to have:

- Under 6th grade 1 adult for every 5 students
- 6th – 9th grade 1 adult for every 8 students
- 10th – 12th grade 1 adult for every 10 students

Please remind your students and chaperones:

- Touching the art is not permitted.
- Stay with their group at all times.
- Speak quietly while in the galleries.
- Be considerate to other Museum visitors.
- Only sit on the floor when requested to do so by a Museum Educator.
- No gum chewing, food, or beverage. If a member of your group requires water for medical purposes, please inform a security manager on arrival.
- Only pencils may be used for writing or sketching in the galleries. No ink pens or markers are allowed.
- Leave all bags, backpacks, food, drinks, and non-essential items at school or on the bus.

Worksheets

Worksheets are not permitted during the tour. They can be completed after the tour when the Museum is open to the public.

Cell Phones

Cell phone use is not permitted during the tour.

Large Parcels/School Bags

Please leave backpacks, school bags, and lunchboxes at school or on the bus. All umbrellas, backpacks, bags, or purses brought into the museum over 11 x 15 x 6 inches must be left in the Coat Check by the Admissions desk and retrieved before the Museum closes. Backpacks and carriers of any size may not be worn in the galleries. *Please note that all items brought into the Museum are subject to search; all nonessential items should be left at school or on the bus.*

Photography

Visitors are permitted, for private and noncommercial use only, to take non-flash photography of the Permanent Collection galleries and sculpture garden. Videotaping is also allowed in these areas. In the Museum, tripods and selfie-sticks are not allowed. Works of art on loan from private collections or other institutions may not be photographed or videotaped. The gallery label will indicate if the object is on loan. Photographs and videos may not be reproduced, published, distributed, transferred, or otherwise commercially exploited without express written permission from the Norton Simon Museum's Office of Rights & Reproductions.

Sketching and Copying Works of Art

Museum visitors are permitted to sketch works of art on a drawing pad, provided they use dry mediums only. Oils, acrylic, watercolor, or other wet mediums are not permitted. Sketching must take place in a location that does not obstruct an entrance or exit and does not obstruct the view of the artwork or compromise the safety or security of the artwork or of other visitors. Equipment such as stools, chairs, and easels are not permitted. Small camp stools may be used.

Picnics and Lunch

If you are interested in purchasing boxed lunches, you must pre-order them from our Garden Café by calling Patina at (626) 844-6970 at least 2 weeks in advance of your tour date. The Garden Café can provide pre-ordered boxed lunches for 20-50 guests. If you plan to buy lunch at the Garden Café but do not wish to purchase the boxed lunches,

please call the Garden Café to let them know the size of your group, so that they can prepare accordingly. The Garden Café can seat up to 50 guests, but seats cannot be reserved for your group. For larger groups, lunches may be taken from the Museum to a local picnic area. *Outside food, beverages, candy, and chewing gum are not permitted on the Museum grounds.* Please see the enclosed map of local parks for picnicking options. The closest park within walking distance is Defender's Parkway, a ½-acre grassy lawn on the southwest corner of Orange Grove and Colorado Blvd. If you would rather drive to one of the larger parks with more extensive facilities, call **(626) 744-7195** to reserve picnic benches at Central or Memorial Park.
