Norton Simon Museum Presents A Night in Focus: Picasso

WHAT:

A Night in Focus: Picasso

Saturday, February 11, 5:00–7:30 p.m.

Join us for an evening looking at one of history's most beloved artists, Pablo Picasso. Interact with Museum staff to learn about Picasso as a printmaker through the works on view in *States of Mind: Picasso Lithographs 1945–1960* (closing February 13), and explore his paintings in the modern art galleries. Work alongside fellow artists to create your own scratchboard art inspired by *Women of Algiers*, or make a print with your own stamp creation. Throughout the evening, listen to live music in the galleries. Refreshments are available for sale in the Garden Café.
